RE: DOCKET NO. 98N-1265 game of titans. let's not  
lose freedom of choice - that's losing America.  
I send this letter as a consumer of healthcare services to register my concern and disapproval  
of the Memorandum of Understanding as published by the FDA on January 21, 1999.

In its present form, the MOU, as well as the Compounding Section 503A of the Moderniza-  
tion Act, severely restricts the rights of the physicians and patients to obtain healthcare  
products from the provider of their choice. It also infringes on the rights of compounding  
pharmacists to serve the public's medical needs. As a healthcare consumer, there should be  
no restrictions to the delivery of a compounded medication prescribed for me, regardless of  
where I may live or may travel. The MOU must be amended!

"loop", as a powerless pawn in a game of titans.
